ADVANTAGES, ALL AT
COMPETITIVE PRICES:

OVERALL REPAIR COSTS

Competitive prices and ease of installation combine to help keep repair costs low.

REPAIR CYCLE TIME

Ford assemblies eliminate putting individual components together and does away with prep work on salvage units.

DELIVERY TIMES

Assemblies can be delivered approximately three to six business days from time of order.

CONVENIENCE AT NO ADDITIONAL COST

Pickup box and cab assemblies can be drop-shipped with NO drop-shipment fees.

OVERALL REPAIR QUALITY

New assemblies are the same as new-vehicle production, delivering OE fit, finish, structural integrity, corrosion protection and dent resistance.

PICKUP BOX AND CAB OFFERINGS

Current production original equipment assemblies for F-150, Super Duty and Ranger boxes and cabs are available*.

And all carry **Ford's Lifelong Sheet Metal Guarantee**[†].

Pickup boxes include primed sheet metal only.

Not included:

- Tailgates
- Lights
- Hardware, moldings and trim
- Dual rear wheel (DRW) fenders

Cab assemblies are shipped with hood, doors and standard non-wheel lip fenders only.

Boxes and cabs are not eligible for return. Once inventories are exhausted, dealerships will continue to have the ability to service in detail.

* Availability varies, while supplies last.
